ONE ONC ONP

New Product of Table Scale

Professional designed
SUS304 S.S pan

Bright LED display
or LCD display

Weighing | Counting | Price Computing

Multi interfaces
Rs232 | USB | PS2...

To be approved on 2019

Y550

New Product of Weight Indicator

Professional weighing controller for weighing process, batching, checkweigh, animal weighing, counting, etc.

S.S enclosure
IP65 protection

TFT

Vivid **TFT** display

Batching, checkweigh
counting, and more

Multiple **output**
Rs232 | Rs485 | Modbus
Optional Profibus, Profinet...

K5000

New Product of Weight Indicator

Waterproof design
Vivid **TFT** display

TFT

Counting | Checkweigh
Paint mixing version

Multiple **output**
2*RS232 | Bluetooth | WiFi...

K1

New Product of Weight Indicator

Bright **LCD** display with backlight

LCD

Multi-function Multi-units
weighing | counting | accumulating

To be approved on **2019**

K7 K7S
Product of Weight Indicator

Back of K7

Back of K7s

K7 with **IP67 PBT** enclosure
K7s with **IP65 S.S** enclosure

Bright **FSTN** LCD display
Read clearly outdoor

Checkweigh, **Animal**, Counting...
There are many other features

Option of multiple **output**
2*RS232 | Modbus | Bluetooth
WiFi and more

K7a K7b K7i

Product of Weight Indicator

ABS enclosure for K7a

S.S enclosure for K7b / K7i (IP66)

FSTN

Big backlit FSTN LCD display

Counting | Checkweigh

There are many other features

Option of multiple output

2*RS232 | Modbus | Bluetooth
WiFi and more

Back of K7b

Back of K7i

K8 K8s

Product of Weight Indicator

With IP65-IP67 protection, it can be used in the field of meat, fish process or any other food industry, chemical materials, pharmacy, etc.

Patented [ON17-P31351](#)

Patented [ON17-P20743](#)

Independent sealed [PCB](#) case- K8

Rugged [PBT](#) housing- K8 (K8S-s.s)

Multiple [power](#) supply
AC/DC, 6V Battery, 7.4V Li-ion...

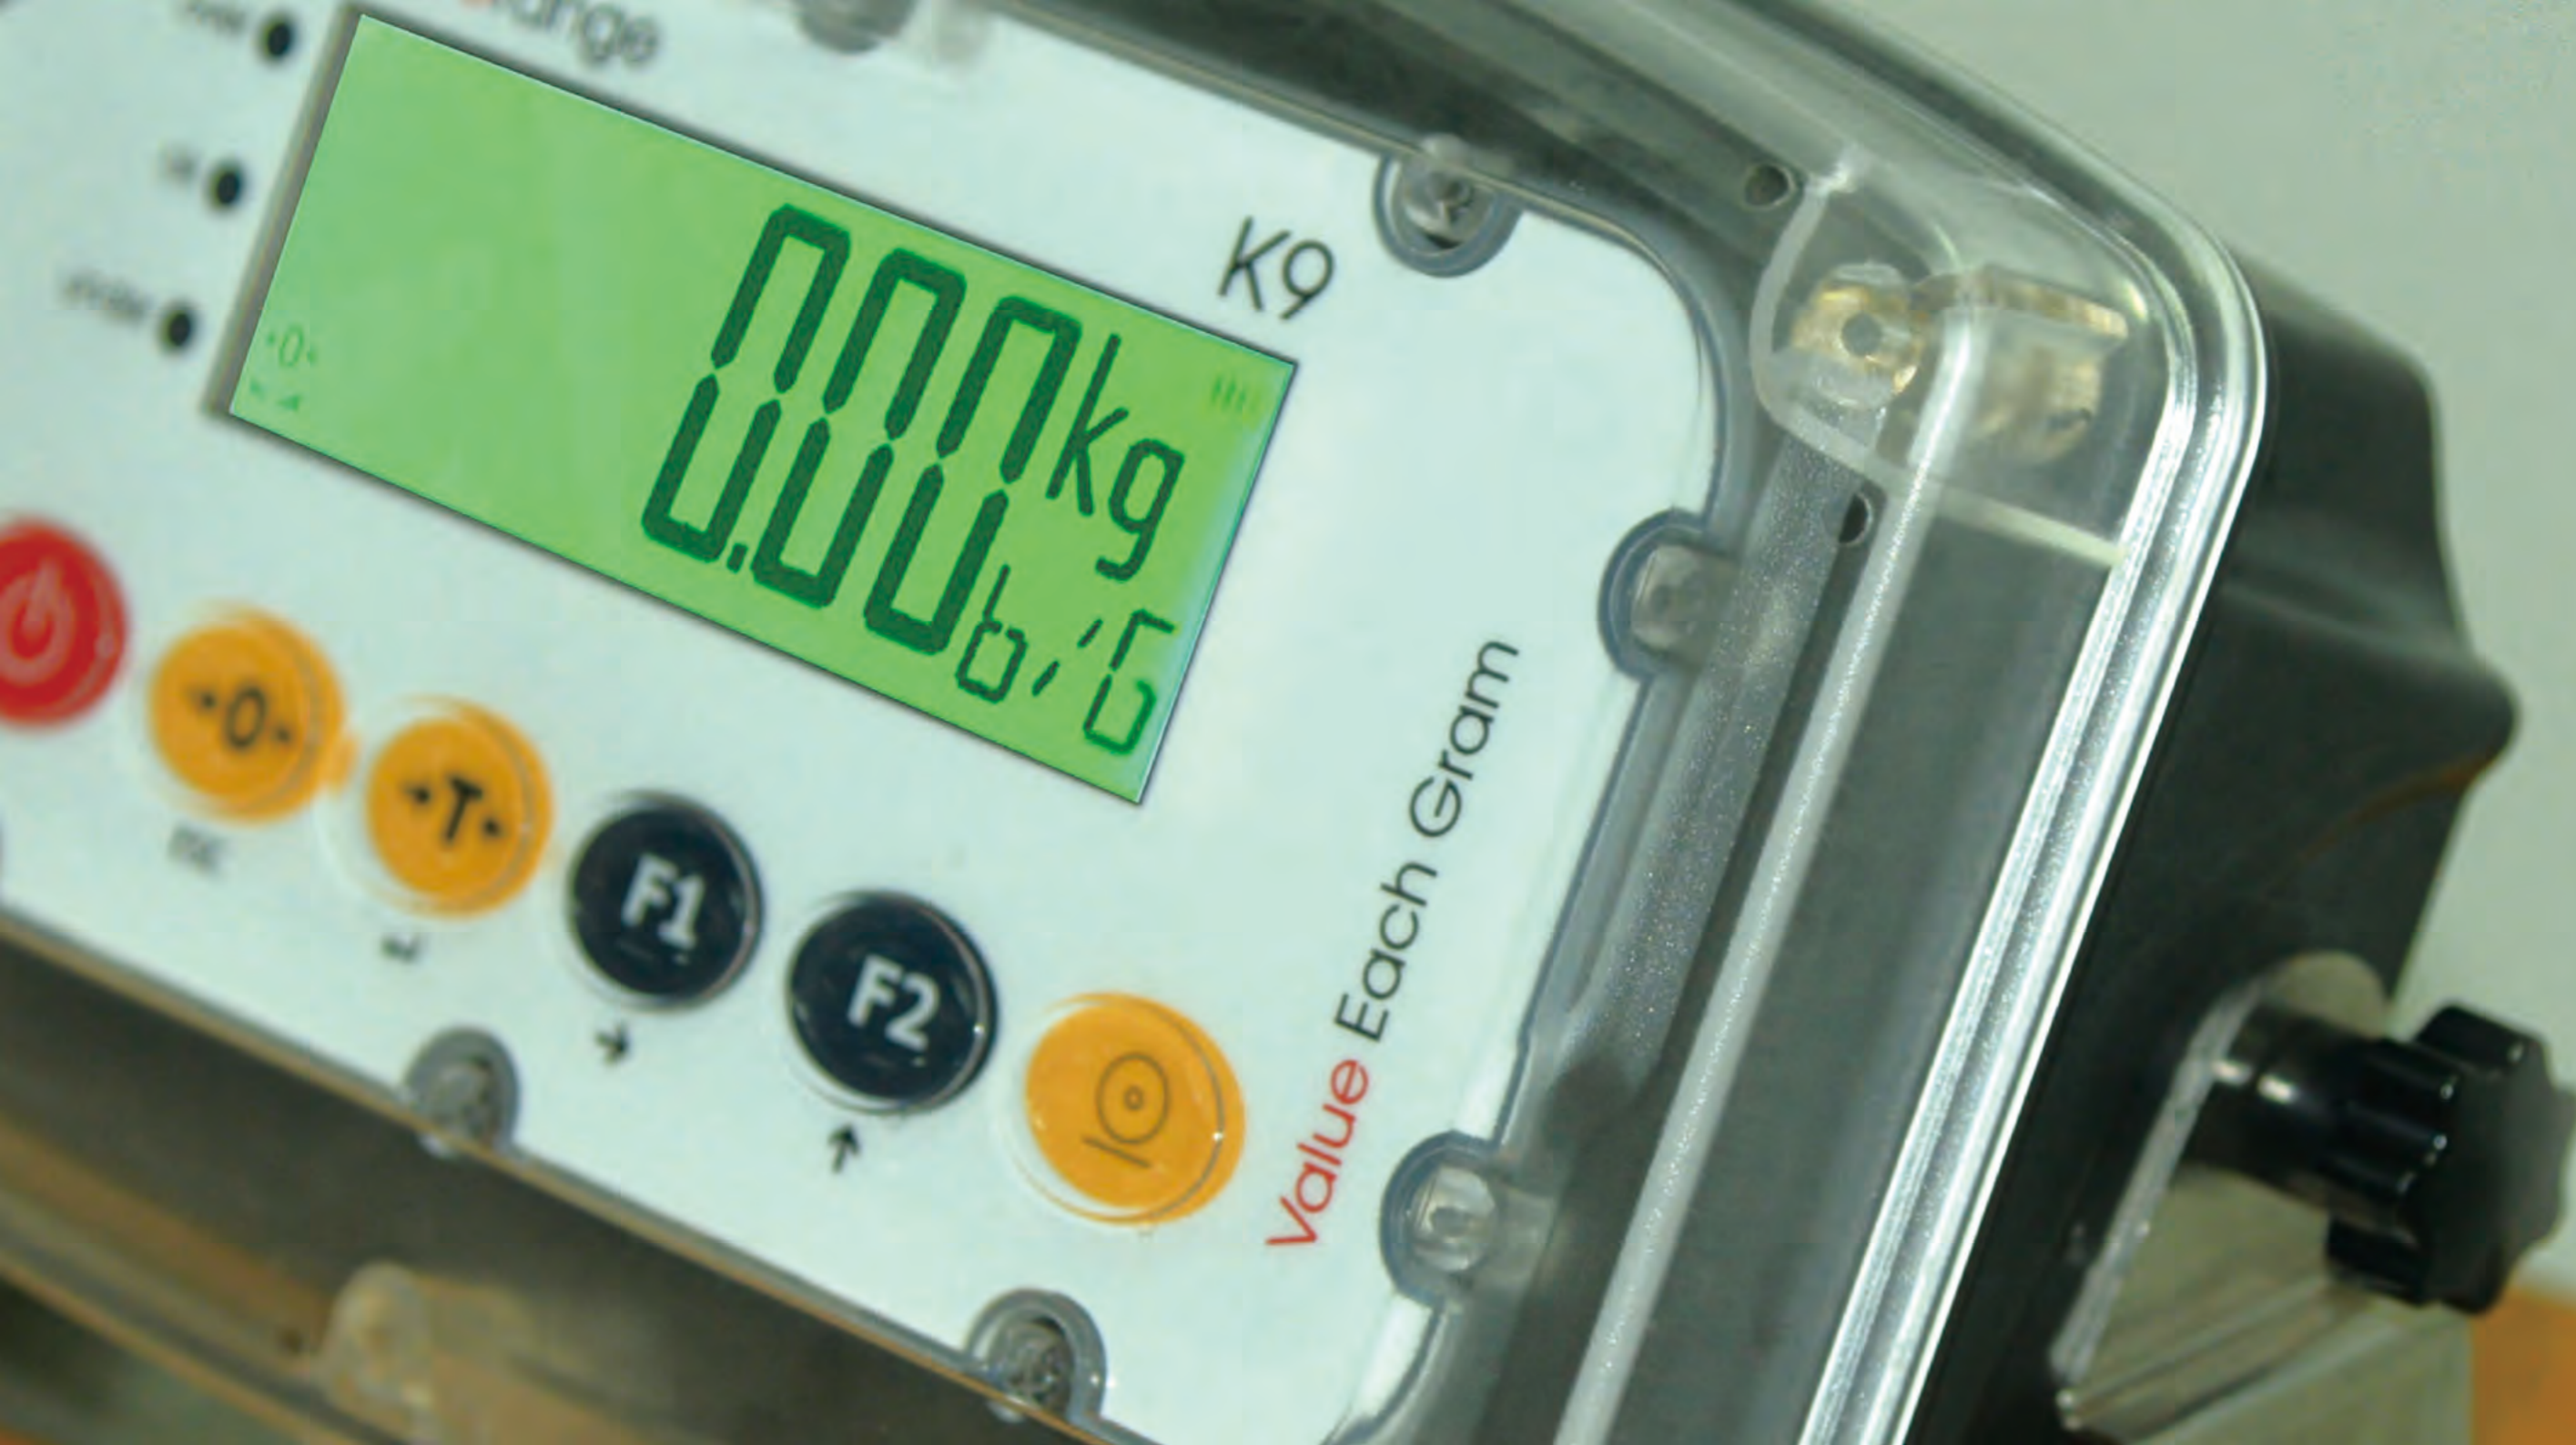

[Checkweigh](#), counting...
there are many other features

Multiple [output](#) interface
2*RS232 | Modbus | Bluetooth
WiFi and more

K9

Product of Weight Indicator

Patented [ON17-P31351](#)

Patented [ON17-P20743](#)

Independent sealed [PCB](#) case

[PBT + PC](#) IP68-IP69K enclosure

IP68 & IP69K

Independent sealed PCB case

Transparent PC front housing and touch buttons

All give the highest protection class till IP68 and IP69K

Multiple [power](#) supply

AC/DC, 6V Battery, 7.4V Li-ion...

Check Weigh

It gives three options of checkweigh function

And allows setting the different backlight

For different range of the weight read

[Checkweigh](#), counting...

There are many other features

Multi-type of serial [output](#)

2*RS232 | Modbus | Bluetooth

WiFi and more

K3000

Product of Weight Indicator

S.S enclosure in high quality

Big dot-matrix LCD display

User-friendly interface

High accuracy up to 10,000e

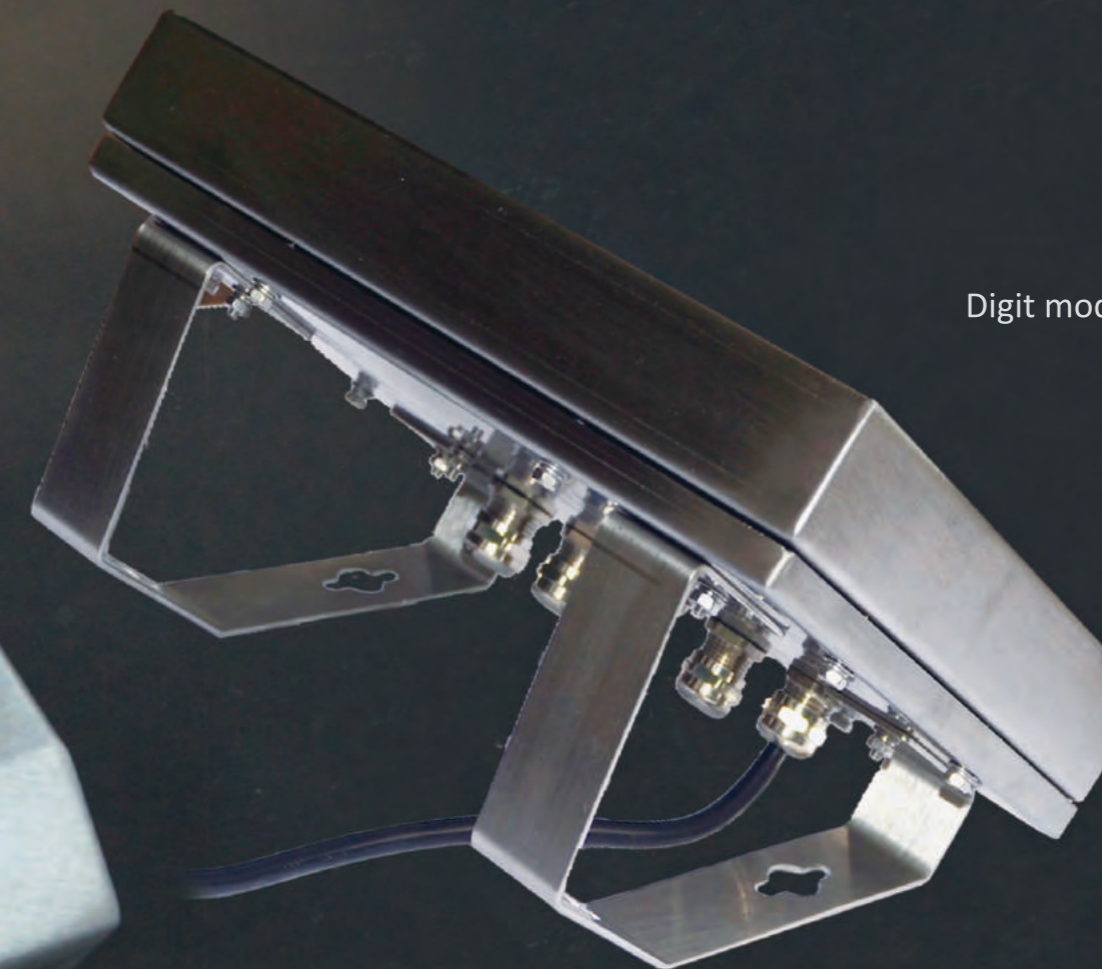

Max.display resolution up to 60,000

K3000D

Product of Weight Indicator

Digit mode works with many popular digital load cells
Customized protocol available

Keyboard Input

U disk transfer data

XM4

Product of Weight Indicator

Kg/lb unit exchange

LCD

Multi LCD display
Tire | Axle | Total

3 working mode
Single | Double | Four

Built-in thermal printer

Print invoice

Suitcase portable

Y180

Product of Weight Indicator

User-friendly interface
Easy operation | stable quality

LED

Bright green LED display

Multi interface & output
Rs232 | Rs485 | Modbus
-10V-10V | 4-20mA

High resolution up to 100,000

Y200

Product of Weight Indicator

User-friendly interface
Easy operation | stable quality

Bright OLED display

OLED

Multi Applications

Increasing | Decreasing | Filling
Checkweigh and more

Multi interface & output

Rs232 | Rs485 | Modbus | I&O
4-20mA and more

Y120

Product of Weight Indicator

Aluminum enclosure
Standard installation slot

Dot matrix **OLED** display

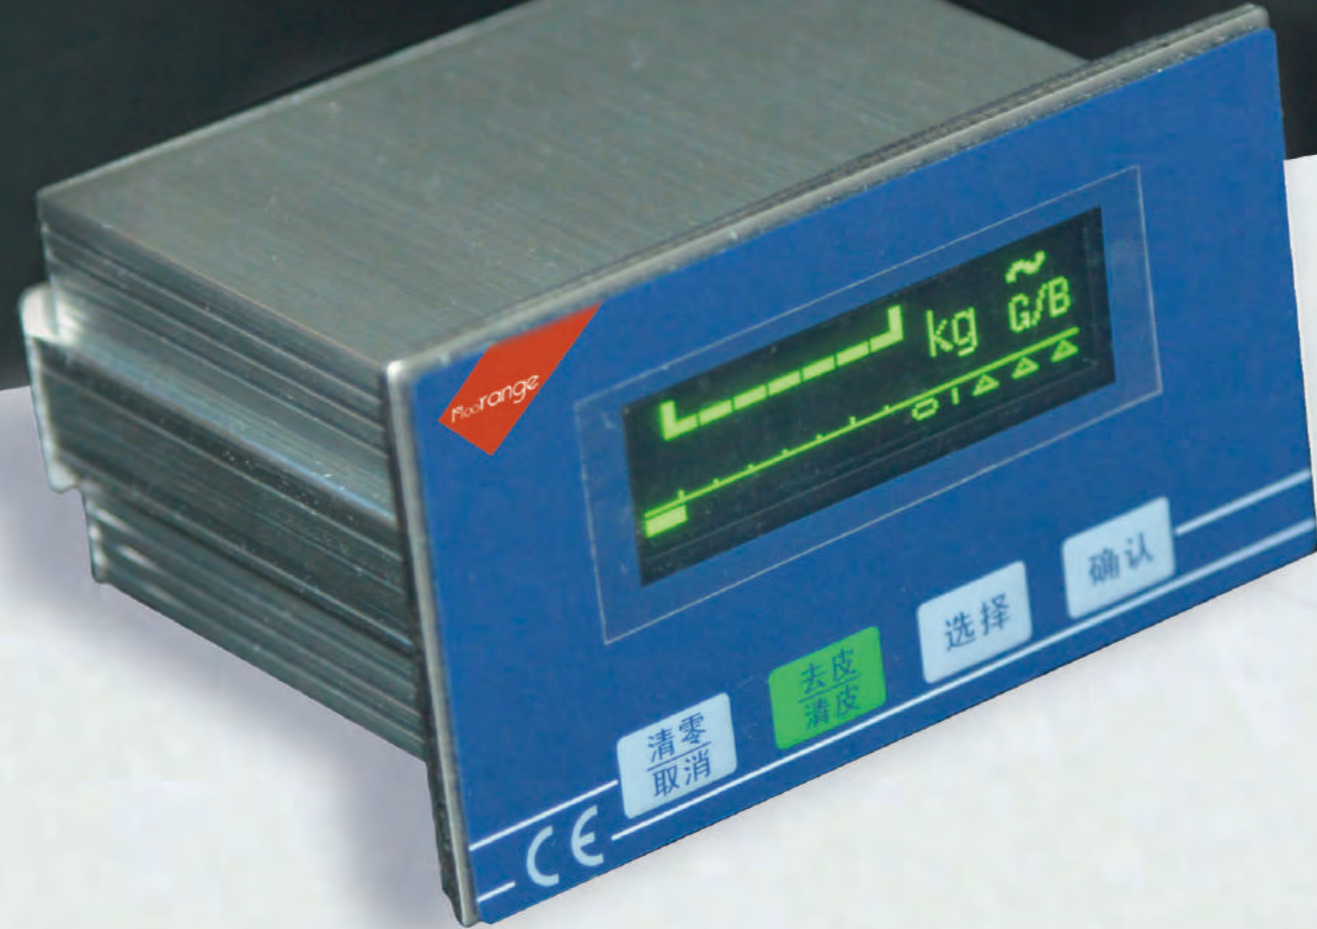

Batching, Free Setpoints
Fast and fine filling, discharging
and more

Multi interfaces

Rs232 | Rs485 | -10V-10V | 4-20mA
IN & OUT | Modbus-RTU

Y320

Product of Weight Indicator

Aluminum enclosure
Standard installation slot

Dot matrix **OLED** display

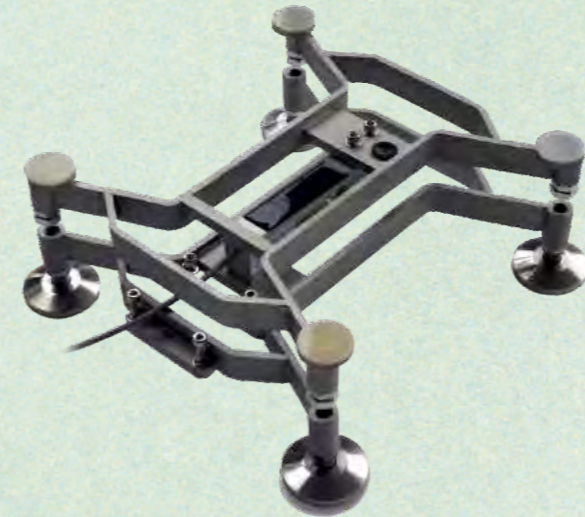

Batching | Free setpoints
Filling | discharging
Backup | 1-4 receipts

Multi interfaces

Rs232 | Rs485 | -10V-10V | 4-20mA
IN & OUT | Modbus-RTU

Silicon buffering pan supporter
4 adjusting stainless steel feet
Overloading protection

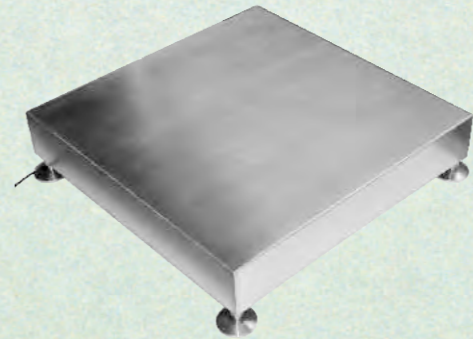

Checkweigh

It gives three options of checkweigh function
And allows setting the different backlight
For different range of the weight read

IP68 & IP69K

With Ip68 and IP69K approved K9 indicator
and stainless steel Ip68 and IP69K load cells
It gives the perfect protection for food and
other industries

K9T

Product of Bench Scale

SUS304|SUS316 material
IP68 stainless steel load cells

FSTN LCD display
read clearly even in the sun

Checkweigh, counting
Animal weighing and more

Capacity up to **150Kg**
30x30cm | 30x40cm | 40x50cm

Steel tube structure with S.S pan
Capacity of 200Kg and accuracy of 50g
400x500mm rugged platform with powder coated

Coin Acceptor

New quality coin acceptor
Suitable for all types of coins
Easy to learn and setup

Coin Counter

Mechanical counter, not allow to reset
Impossible to cheat on the number of coins it received

Luggage Weigh

Suitable for luggage weight check
Also it's controled with a countdown timer
Popular installed in the hotel lobby, airport,etc

BSE
Product of Bench Scale

Ip65 Load Cell

Aluminum cast platform
SUS304 stainless steel cover

Optional Neck

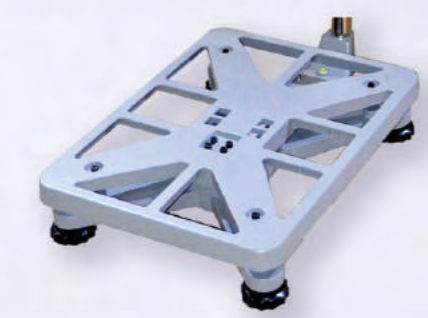

Big backlit FSTN LCD display

Counting | Checkweigh
There are many other features

Capacity up to 500Kg
30x40cm | 40x50cm | 45x60cm

Aluminum Platform

BSM

Product of Bench Scale

Steel or s.s structure, easy for clean
Stainless steel ones with load cell shield
Safe to washing for the s.s models
Optional SUS316 s.s material

Rugged mild steel platform, or
SUS304 platform and cover

Counting | Checkweigh
There are many other features

FSTN

Big backlit **FSTN** LCD display

Capacity up to **500Kg**
30x30cm | 30x40cm | 40x40cm
40x50cm | 50x60cm | 60x60cm

FG

Product of Floor Scale

- Hot-dip galvanized process
- Rugged rectangular tube structure
- Easy open for cleaning
- 5mm checked plate
- Up to 3000kg capacity

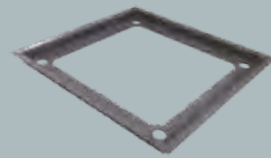

LoadCell

Ip67 protection, with self-centering feet
 Standard model with M28 load cells
 Approved one with OIML|NTEP H8C load cells

Accessories

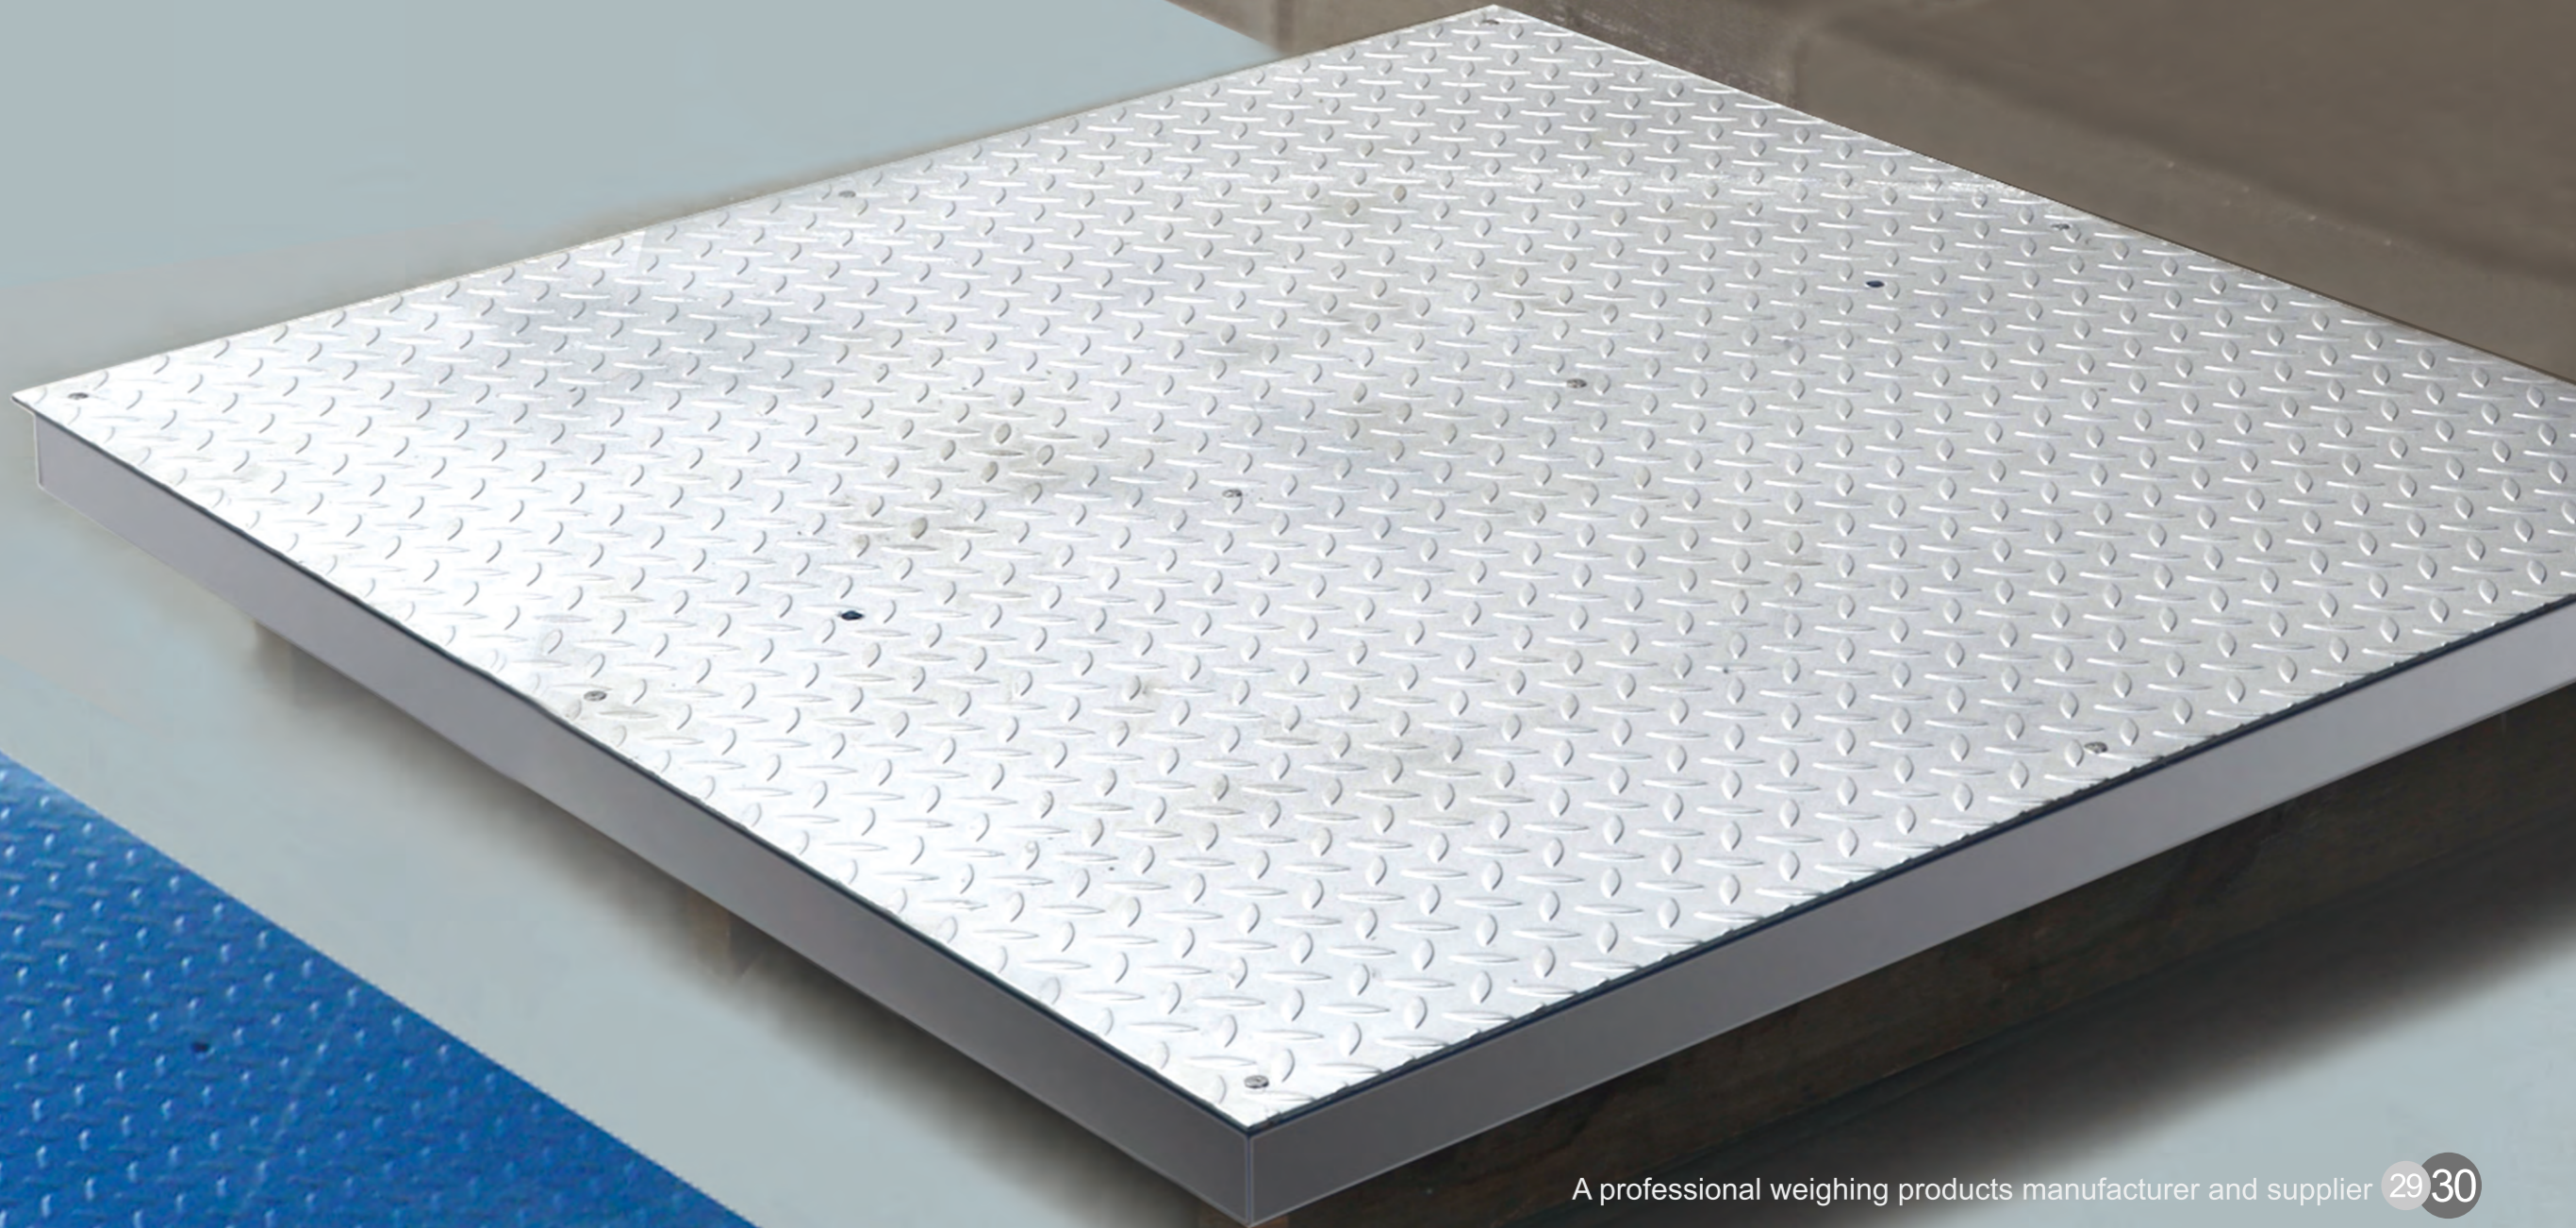

ISA | PITF

PITF

ISA

CF

Product of Crane Scale

Easy for operation, suitable for food industry, farms, warehouse, dock, factory, etc.

Patented **ON17-P38688**

Patented **ON17-P28687**

S.S enclosure and hook
Rubber sealed, watertight

LED

1" Bright **LED** display

Accumulate, hold
And more other features

600kg capacity
Optional 1000kg capacity

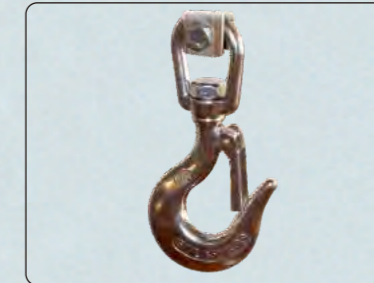

Remote control **≤15m**

Accessories

Optional S.S hanging pan

Optional S.S swivel hook

Optional Bluetooth printer

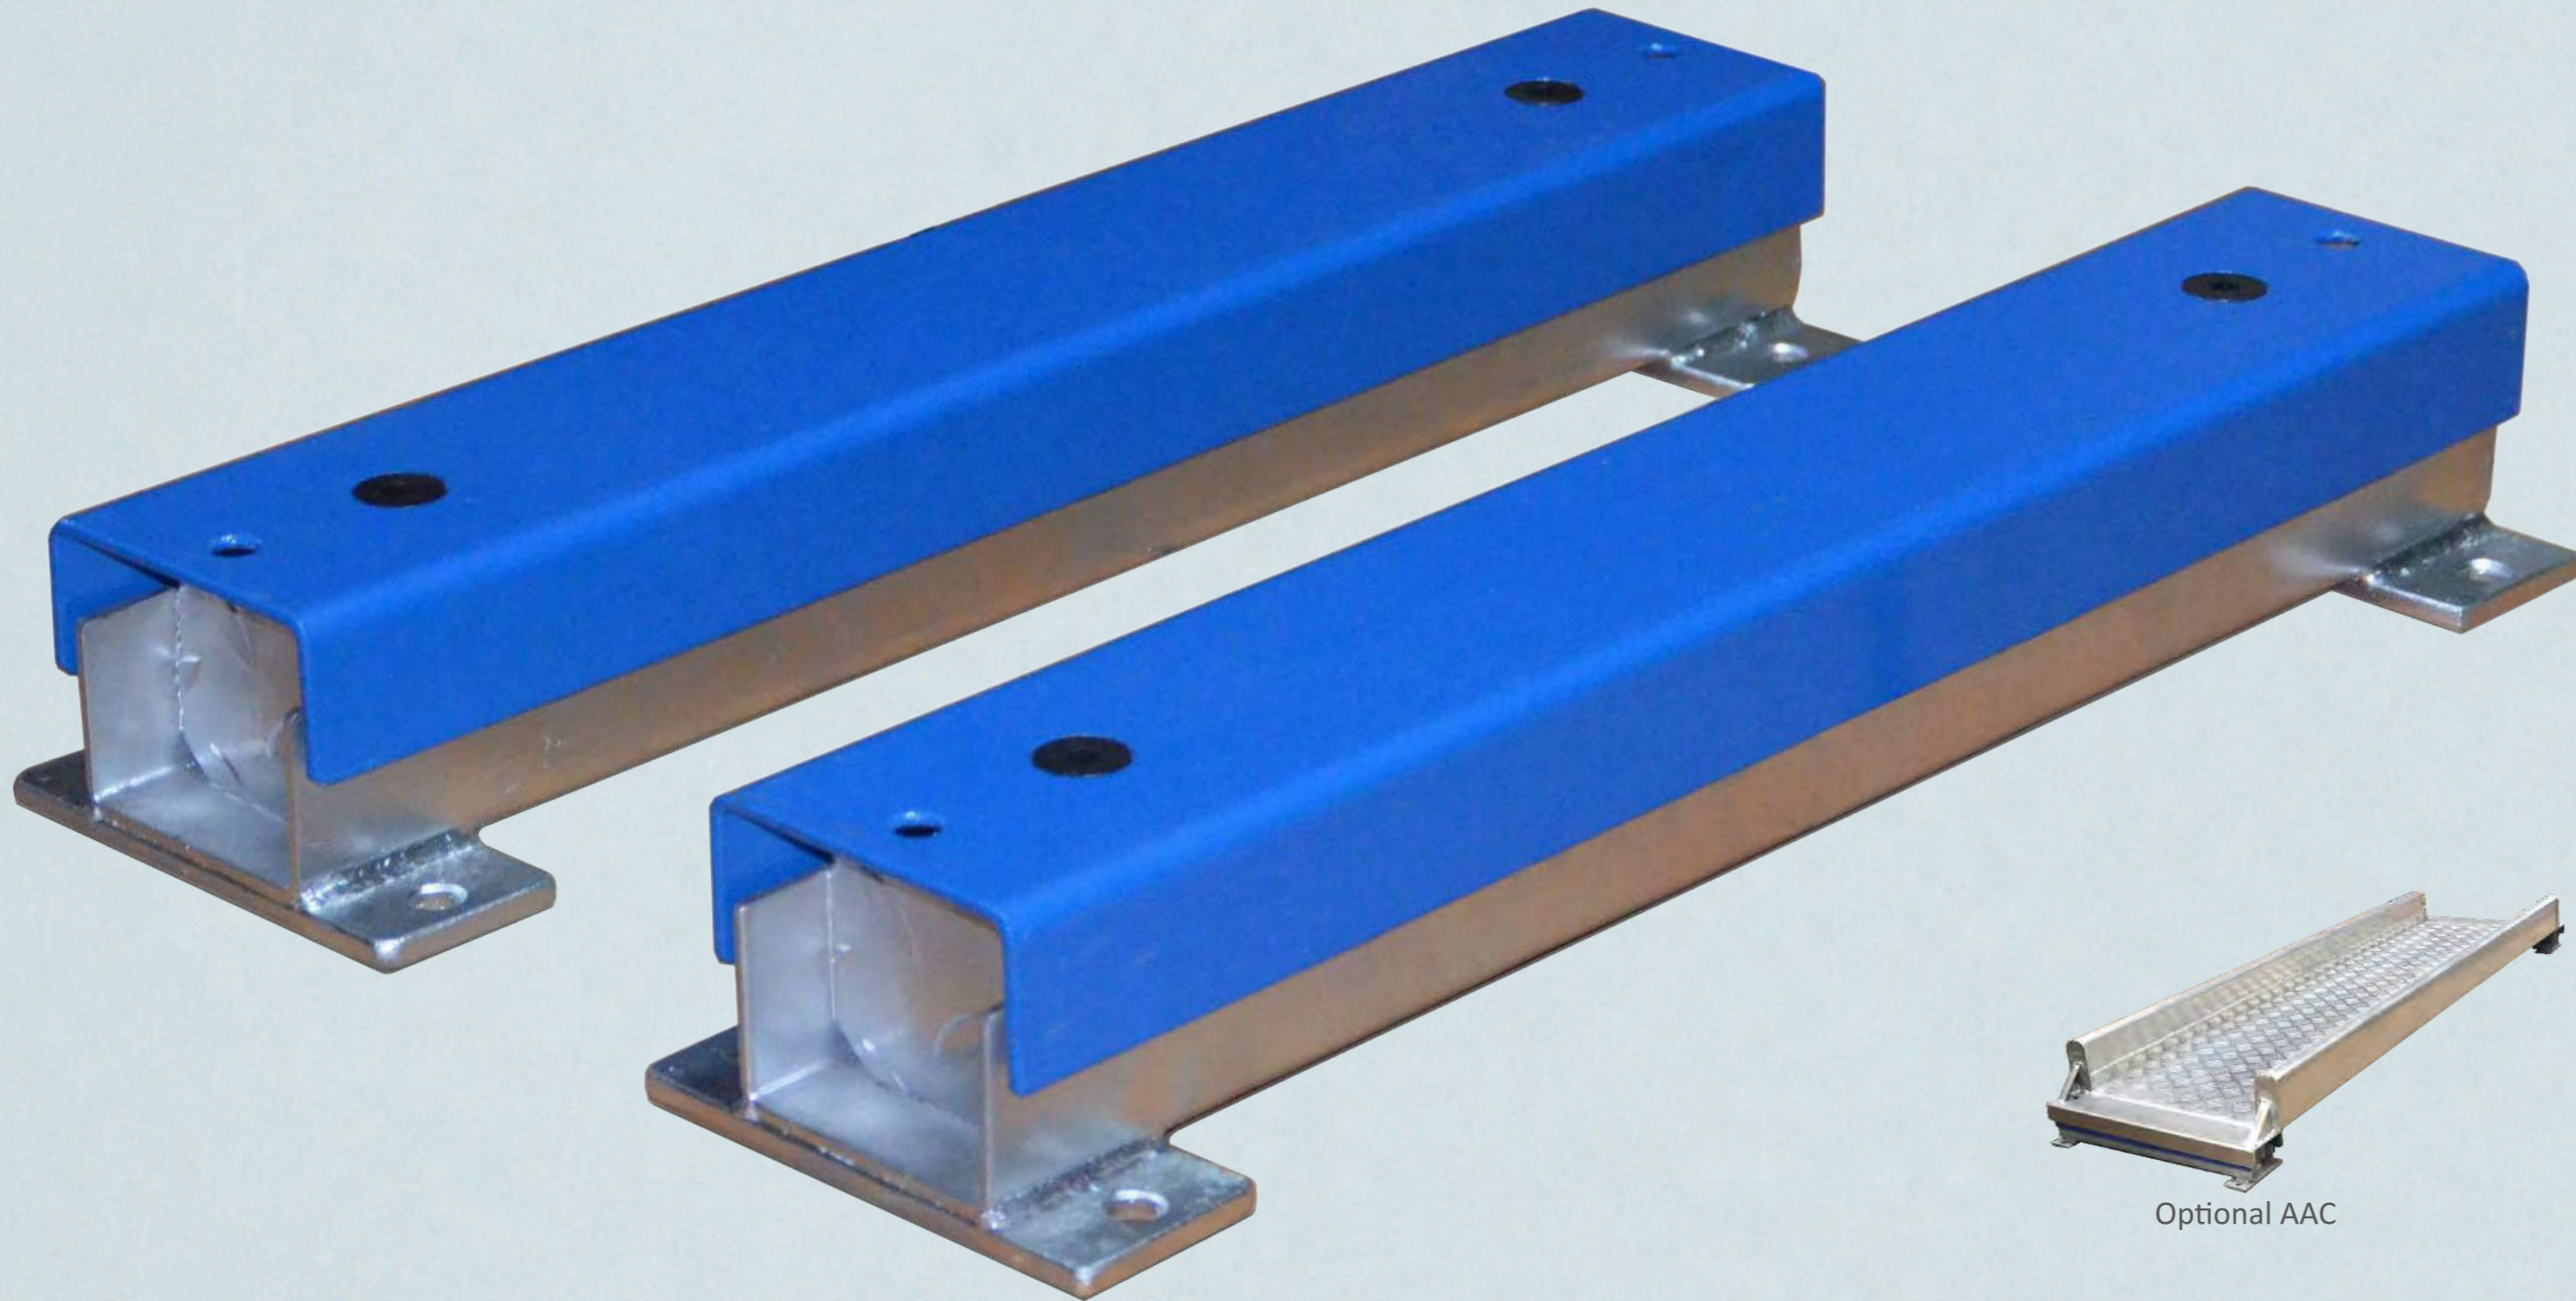

Optional wireless remote display

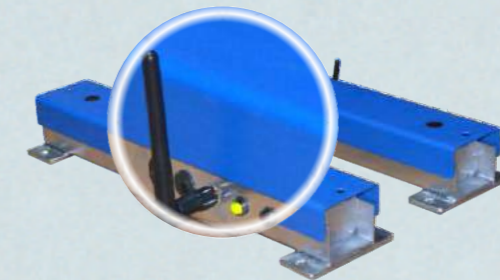

Optional remote control

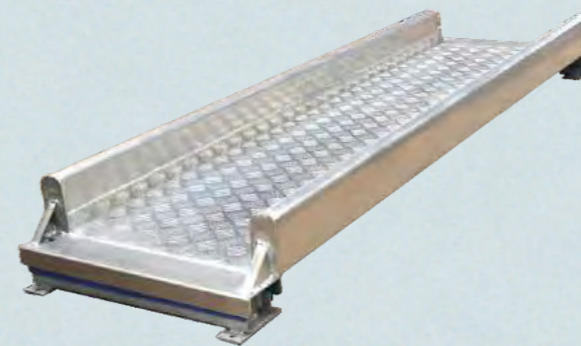

Optional aluminum suitcase

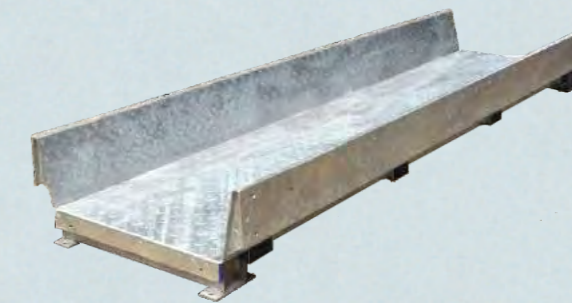

M28 | H8C Load Cell

Optional Wireless

Optional AAC

Optional AAG

ABH

Product of Animal Scale

OIML | NTEP load cells
Optional OIML indicator

Weight Hold, peak hold
Accumulating, print, and more

Capacity up to **3000Kg**
400, 600, 800, 1000mm size

Multi-type of serial **output**
Optional Bluetooth, WiFi, etc.

WXS

Product of Table Scale

S.S house and big pan
AI load cell supporter

Big LCD display with backlit

More than check weigh
There are many other features

High accuracy of 1/30,000

To be approved on 2019

More Highlights

- Single or dual range setup
- Double Tare keys
- Rechargeable 6V battery and Auto power off
- RS232 / WiFi / Bluetooth optional

PC6S

Product of Table Scale

More Highlights

- Rechargeable 6V battery and Auto power off
- 40 PLU (20 direct) keys
- Dual range capacity
- RS232 / WiFi / Bluetooth optional

SUS304 s.s. enclosure
Big pan of 250x315mm

Big LCD display with backlit

Quantity sales function
fixed value, money-change...

To be approved on 2019

CSS

Product of Table Scale

SUS304 s.s. enclosure
Big pan of 250x315mm

Big **LCD** display with backlit

High accuracy of **1/30,000**

Auto power off setup
320hrs working time(without backlight)

Recall of memory weight
Accumulation, 40 PLU, and more

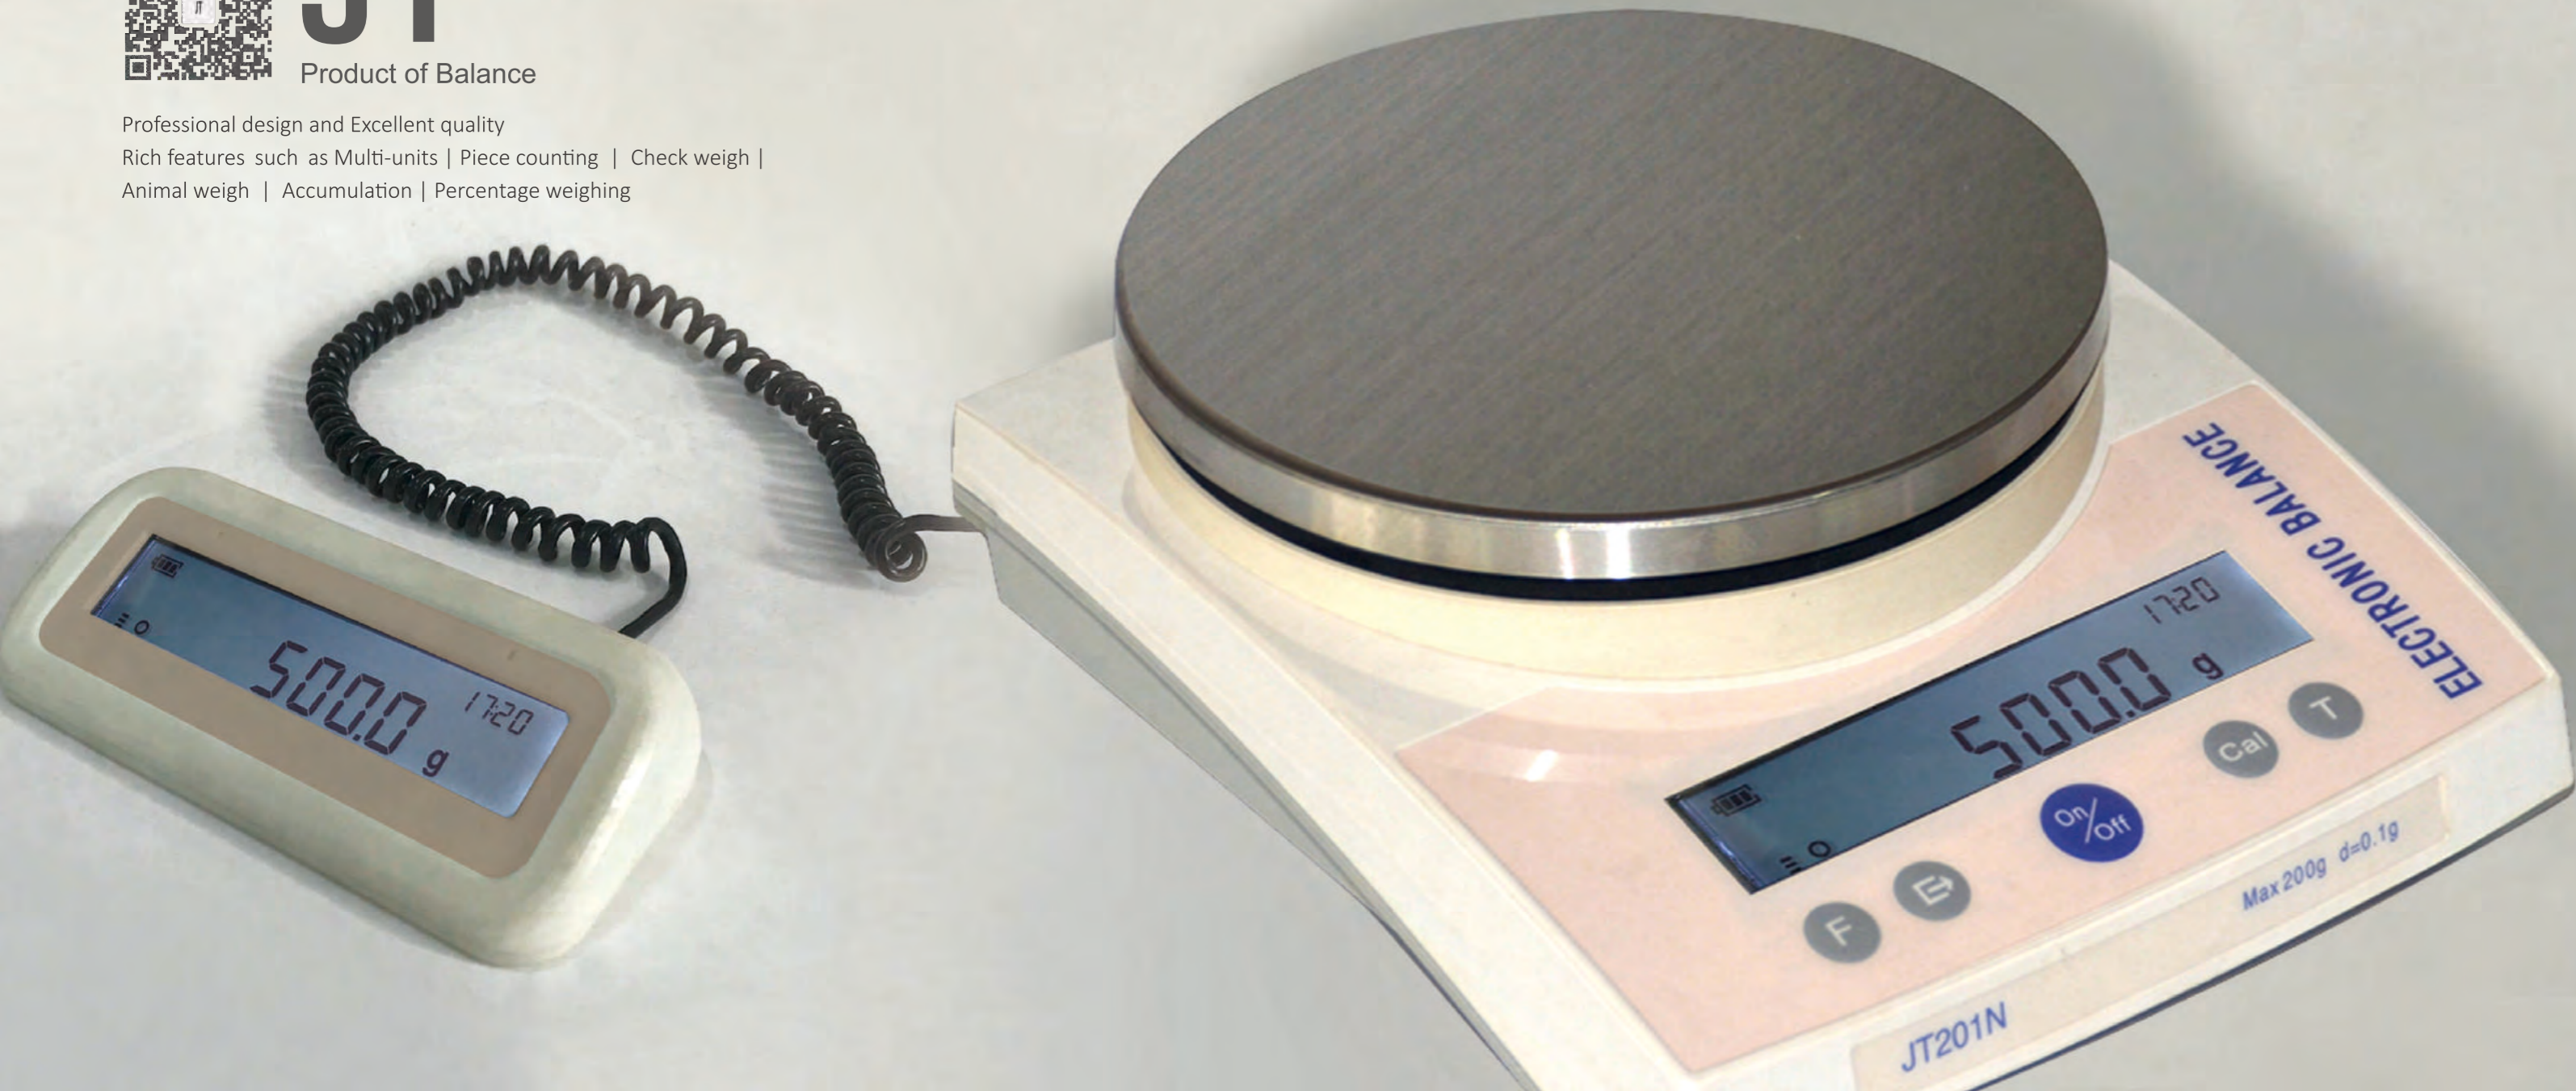

JT

Product of Balance

Professional design and Excellent quality

Rich features such as Multi-units | Piece counting | Check weigh |

Animal weigh | Accumulation | Percentage weighing

Optional Windshield

Optional Printer

Optional Remote Display

FSTN LCD display

Multi-Units exchange
g | ct | lb | oz | GN | dwt

Checkweigh, Animal weigh
Counting, Accumulation, OTH
percentage, and more...

Capacity up to 2100g
division of 0.1g to 0.001g

Multi-type of serial output
Continuous | Print

DSP

Product of Balance

Suitable for measuring moisture content of grains, beans, herbs, etc.

Big **LCD** display with backlight

Smart control
Quick **halogen** heating

Big capacity of **110g**
High accuracy **5mg** to **1mg**

PANDA

Product of Medical Scale

Bamboo material
User's hospitality

300kg capacity
800*800mm platform

Easy to **move**
In and out ramp for wheelchair

Indicator with function of **BMI**

WDT

Product of Medical Scale

Anodizing aluminum

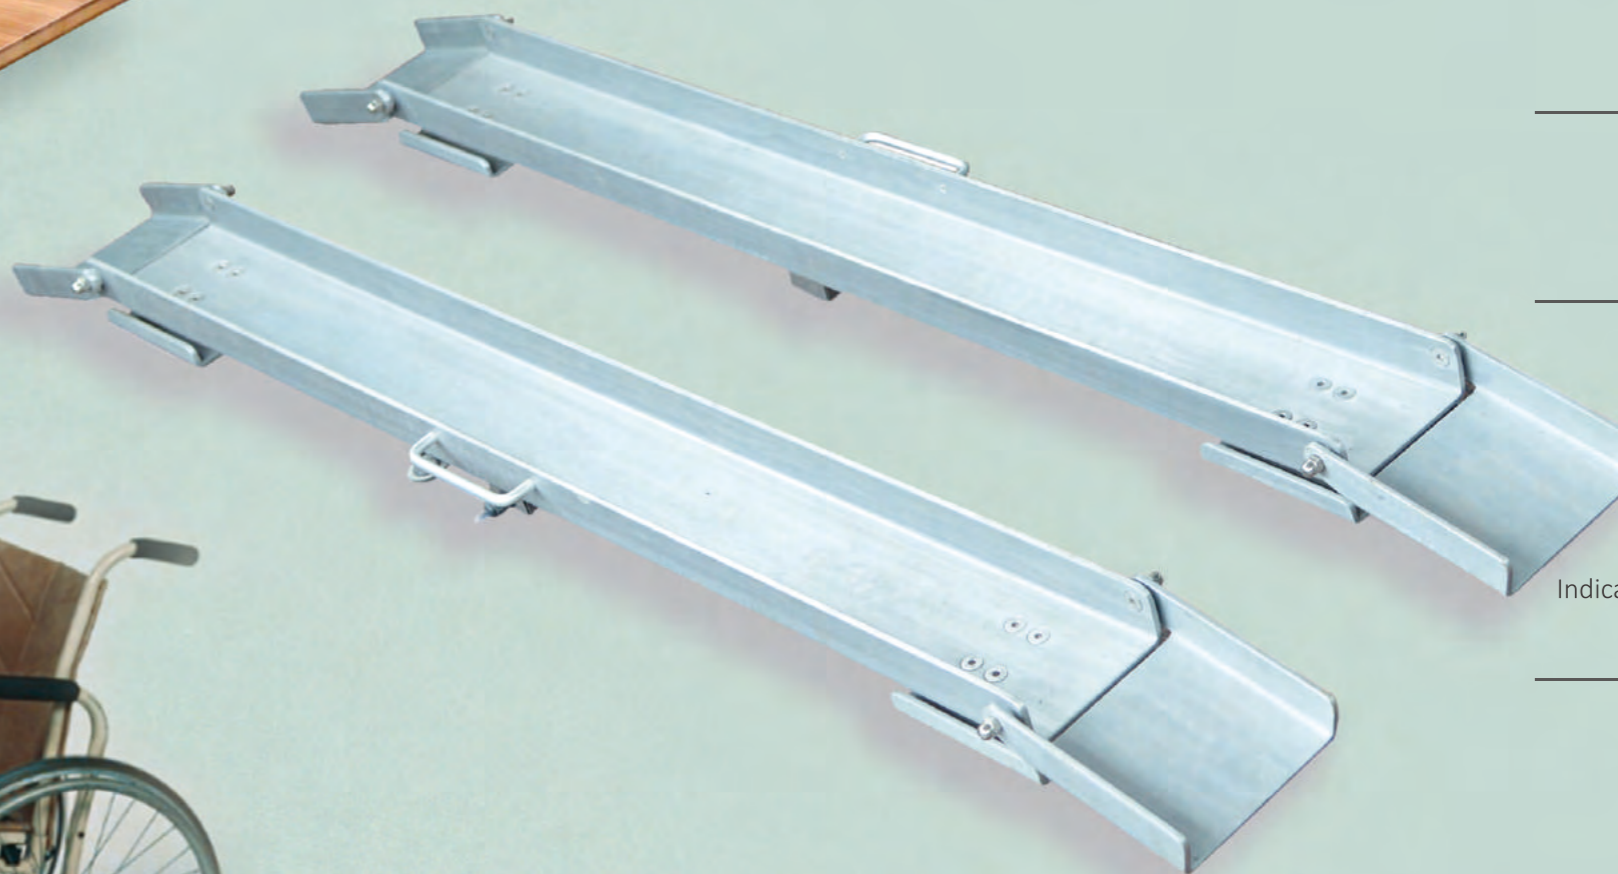

Capacity up to **300kg**
Long-term use, no rust

Easy to **move**
weight of 15kg only

Indicator with function of **BMI**
